GOVERNMENT OF INDIA
FINANCE
LOK SABHA

UNSTARRED QUESTION NO:3407
ANSWERED ON:18.12.2015
Subsidy
Kamaraaj Dr. K.;Ram Mohan Naidu Shri Kinjarapu

Will the Minister of FINANCE be pleased to state:

(a) the details of subsidies provided by the Government during each of the last three years and the current year, sector-wise including agriculture, food, petroleum, fertilizer and State-wise including Andhra Pradesh;
(b) whether subsidies affect the Current Account Deficit (CAD);
(c) if so, the policy/plan in place to curb subsidies including steps for direct subsidy transfer system to plug subsidy leakages and making Aadhaar linked bank accounts compulsory;
(d) whether the Government has conducted any study to ascertain that subsidy is actually reaching to the poor people, if so, the details and the outcome thereof; and
(e) the other steps taken by the Government to reduce economic disparities in the country?

Answer

Minister of State for Finance (SHRI JAYANT SINHA)
(a): Subsidies on Agriculture
Agriculture is a State subject. However, Government of India supports the State Government through various Central Sector and Centrally Sponsored Schemes for which financial assistance is provided. Under the schemes, the funds are released to State Governments who in turn provide subsidies to the beneficiaries as per approved norms. A statement indicating the funds released under various schemes during the last 3 years and the current year State-wise is enclosed at Annexure-I.

Food Subsidy
The details of food subsidy (including sugar subsidy) released during the last 3 years and for the current year is enclosed as per Annexure-A.

Further details indicating food subsidy released to FCI and various DCP States during the last 3 years and current year and also subsidies released to two Union Territories during 2015-16 under Direct Benefit Transfer (DBT) is given at Appendix A.I and the year-wise sugar subsidy released to States/Union Territories is given at Appendix A.II.
Petroleum Subsidy
The details of subsidy on petroleum products are as under: -
(Rupees in crores)
Particulars 2012-13 2013-14 2014-15 2015-16(April- September)
PDS Kerosene 30156 31255 24804 7122
Diesel 92061 62837 10935 -
Domestic LPG including DBTL 41565 52247 40569 8814

PAHAL (DBTL) Scheme was launched in 54 Districts of the country on 15.11.2014. Subsequently, the scheme was extended to rest of the country on 1st January, 2015. Under the Scheme, the LPG cylinders are being sold at market price and subsidy, as admissible, is being transferred to consumers directly into his/her bank account. As on 14.12.2015, 14.69 crore LPGH consumers have joined the scheme. The scheme aims to save subsidy to the extent of reduction in diversion of subsidized LPG into commercial sector.
Fertilizer subsidy
The details of fertilizer subsidies are as under: -
(Rupees in Crores)
Particulars 2012-13 2013-14 2014-15 2015-16
(Upto Nov 2015)
Indigenous Urea 20000.00 26500.00 38200.01 34864.05
Imported Urea 20016.00 15353.30 16200.00 11034.32
Indigenous P&KFertilizers 16000.00 15500.00 12000.00 10065.56
Imported P&K Fertilizers 14576.10 13926.86 8667.30 6881.35

(b) to (e): Other things remaining the same, subsidies on a product that is imported or has a large import content may elevate the levels of consumption and hence the level of imports into the country depending upon the elasticity of demand. The impact on the Current Account Deficiency (CAD) would depend on other factors like the Exchange Rate and the level of exports in the same time

period. However, the exact magnitude is difficult to ascertain.

Direct Benefit Transfer (DBT) was started on 1st January, 2013 with the aim to ensure accurate targeting of beneficiaries, de-duplication, reduction of fraud, efficiency in delivery process, ensuring greater inclusion, elimination of waste, curbing leakages and thereby controlling expenditure with greater accountability and transparency. The existing delivery processes are re-engineered for simpler flow of information and funds. DBT is a major reform process where cash/benefits are transferred directly in the bank accounts of beneficiaries, cutting several layers in the delivery process.

Government has launched a new universal Direct Benefit Transfer Scheme for LPG from 1st January, 2015 onwards which covers both Aadhaar card and non-Aadhaar card holders in which the subsidy is transferred directly into the bank accounts of cash-transfer-compliant customers in a manner that will avoid duplication and prevent leakages. The Government has also launched a dedicated scheme for end-to-end computerization of Public Distribution System throughout the country. 11 States have already joined the National Food Security Act (NFSA) framework and other States will follow suit. The Government has launched a drive to ensure universal coverage of Aadhaar throughout the country. End-to-end computerization, combined with Aadhaar coverage, will help improve the targeting efficiency of PDS system in the country. 100% neem coating of indigenous production of subsidized urea has been made compulsory from 25.05.2015. This will help prevent its diversion for industrial use.
Cash transfer of Food Subsidy Rules, 2015 which was notified on 21.8.2015 under the National Food Security Act, 2013 is currently being implemented on a pilot basis in Union Territories of Chandigarh and Puducherry w.e.f. September, 2015 with their consent.
